SPEED IS EVERYTHING

Ruskin® Labor Savers

Speed is everything in today's fast-paced construction markets. With *Ruskin® Labor Savers* you enhance productivity, reduce installation time and costs and improve your bottom line.

Ruskin® Labor Savers include integral sleeves, one-piece picture frame mounting angles (PFMA), and a variety of factory mounted U.L. approved breakaway connections, all designed to reduce the time and cost of damper installations. Our electronic order entry link to representatives, state-of-the-art roll forming technology, flexible tagging and packaging and quick shipments on Ruskin Express provide a smooth and efficient process from quotation to fabrication to installation, saving you more time and money.

For over 35 years, Ruskin has delivered products and services that make our customers more productive. When speed is the challenge, *Ruskin® Labor Savers* make it happen for you! For more information about our complete line of dampers and louvers, contact your local Ruskin representative.
