

# AMCA Certified and Labeled

Ruskin has the largest selections of AMCA certified dampers in the industry. We always proudly labeled our literature with the AMCA Certified Ratings Logo and now we will be labeling on dampers as well.

- Commercial Control Dampers
- Thermal Efficient Control Dampers
- Multiple Blade Fire Dampers
- Smoke Dampers
- Combination Fire Smoke Dampers
- Air Measuring Station/Dampers

Look for the AMCA Labeled products to be sure you are getting a quality product.
